General Provisions

1. Permittee is required to contact Gopher State One Call at (800) 252-1166.
2. Permittee agrees to conduct all work according to City of Baxter Right-of-Way Ordinance, along with all references to State Statutes and Rules.
3. Permittee shall have a copy of this permit and approved drawings on the job site at all times.
4. Permittee understands that issuance of this permit does not relieve them from obtaining approval from Crow Wing County or MNDOT for work proposed within their jurisdiction.
5. Permittee shall contact (218) 454-5115, 24 hours in advance to schedule inspections if required in Special Provisions.
6. Permittee shall conduct all work in accordance with City of Baxter ordinances and specifications.
7. Permittee shall be responsible for establishing safety measures to protect the public from all harm until the construction is complete and for compliance with OSHA.
8. Permittee shall show on drawings, locations of all proposed facilities and any proposed temporary material or equipment storage locations.
9. Permittee shall return the Right-of-Way to the required satisfaction of the Engineer and the City of Baxter, and shall remove all rubbish and construction debris promptly following completion of the construction.
10. Permittee shall be responsible for maintaining all temporary construction, erosion control, repairs, patches or surfacing daily, if necessary, until permanent construction is completed and approved or such maintenance will be performed by City or other forces at prevailing rates.
11. Permittee agrees to promptly pay any overtime or other cost incurred by the City, required as a result of work covered by the permit.
12. Permittee shall save and hold harmless the City of Baxter, its employees and agents from any acts arising from the construction and /or maintenance of Permittee's facilities or work covered by the permit, and take out and maintain insurance in conformance with City of Baxter Right-of-Way Ordinance.
13. Resources: Baxter City Ordinance and Right-of-way Restoration and Erosion Specifications.
14. By accepting this permit the undersigned verifies that he/she has read and understands all of the foregoing provisions, certifies that he /she has authority to sign for and bind the Permittee and that by virtue of that signature the permittee is bound by and agrees to comply with all provisions of this permit and City of Baxter Right-of-Way Ordinance and State laws regulating construction.
